Packing List

The following items are included:

Charging-Holder for B·IRON Tools ..... 1 unit

According to purchased ref.

Manual ..... 1 unit

Ref. 0032516

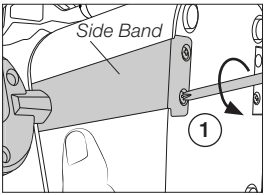

Features

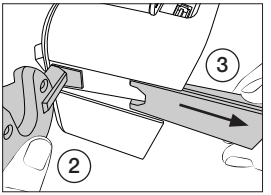

These charging holders are used with B·IRON stations or BCB Charging-Base.
They allow expanding the station with a second charging holder, or replacing an already assembled one.

Charging Holder Assembly

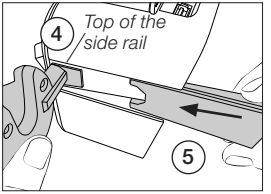

Charging holders can be replaced by loosening the screws at the bottom of the charging-base.

Open the screws (1) at the bottom.

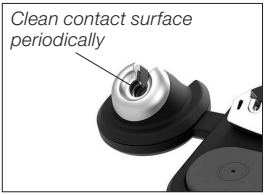

Hold the charging holder with one hand (2) and with the other pull the sideband downward (3).

To install a new charging holder, place it at the top of the side rail (4) and slide back the slide band (5) until the holder is secured in place. Finally tighten the screws at the base.

Maintenance

Periodically clean the metal parts of the charging holder to ensure a proper connection and charging of the tool.
